

IN AND AROUND ZION

Well, we've had to say so long for now to our special summer friends. Hope that you are enjoying being home or where it's warm and that we'll see you back again next summer.

*Our sympathies go out to:
Jack and Doreen Spencley and families in the passing of Jack's daughter, Elaine.*

Kathy Harrison and family on the sudden passing of her husband Harold. He certainly had a lot of friends judging by the numbers that were at the funeral.

In August Joan and Fred Chapple did a tremendous job of putting together the Street Dance and the food. Way to go guys! Lets have another one next year.

To Bonnie and Wayne Black, what can one say about perfection? Everything was absolutely beautifully done. What a great idea you had to serve a Studio Tour Lunch! Is it a go for next year?

How can we say Thank You to two such dedicated people as Walter and Barbara Braker? They just keep those turkey pies coming and they are sooooo good.

Many thanks also go to their helpers.

Many, many thanks go to our Decorating Committee for the splendor of the church at Thanksgiving as well as the exquisiteness of the Christmas decorations. Thanks go to Chris Archer, Nerina Clark, Bruce and Kathy Payne.

Happy Birthday to you, dear Elinor!
The song was sung once again to one of our cherished ladies at a luncheon that the women of Zion have for those that are lucky enough to get to be 80 years of age. Elinor's daughter Janet took the service on the Sunday and then Elinor's family had a wonderful party for her after church.

All of us express our heartfelt thanks to Melissa Stephens and the choir for putting on such a successful *Oktoberfest Dinner. I know it was really well enjoyed by those attending. Thank you, Melissa.*

We have certainly had a lot of really good dinners at the church and we certainly can't forget Chef Roberto's spaghetti dinner. The hall was beautifully decorated and everything went smoothly. Thanks to all those that helped put that dinner on.

Just a wee note to let you know that Rev. Max has offered to put the Spire on the church's website.

The Spire Committee wishes to take this opportunity to wish all of you and yours very Merry Christmas and all the abundance the New Year can bring. Best wishes from Anne Bulford, Doreen French and myself, Beryl Rutledge.
