

ON THE LIGHTER SIDE

Dealing with Snow

One winter morning a couple was listening to the radio over breakfast. They hear the announcer say, 'We are going to have 8 to 10 inches of snow today You must park your car on the even-numbered side of the street, so the snow ploughs can get through.'

Norman's wife goes out and moves her car.

A week later while they are eating breakfast again, the radio announcer says, 'We are expecting 10 to 12 inches of snow today. You must park your car on the odd-numbered side of the street, so the snow ploughs can get through.'

Norman's wife goes out and moves her car again.

The next week they are again having breakfast, when the radio announcer says, 'We are expecting 12 to 14 inches of snow today. You must park

Then the power dies.

Norman's wife is very upset, and with a worried look on her face she says, 'Norm, I don't know what to do. Which side of the street do I need to park on so the snow ploughs can get through?'

With the love and understanding in his voice that some men who have been married for years exhibit, Norman says, 'Why don't you just leave it in the garage this time?'

Fishing - Eskimo style

An ice fishing competition was organized, in Canada, between a team of ladies from Calgary and a team of ladies from Edmonton. The winners would be the team which caught the most fish.

It became obvious, once the competition had begun, that the team from Calgary were winning. They were hooking out fish after fish.

The Edmonton ladies sent one of their team over to see how they were doing it. Seconds later she sprinted back shouting, 'A hole! We need to put a hole in the ice!'

FLORIDA COURT SETS ATHEIST HOLY DAY

In Florida, an atheist created a case against the upcoming Easter and Passover Holy days. He hired an attorney to bring a discrimination case against Christians and Jews and observances of their holy days. The argument was that it was unfair that atheists had no such recognized days.

The case was brought before a judge. After listening to the passionate presentation by the lawyer, the judge banged his gavel declaring, "Case dismissed!"

The lawyer immediately stood objecting to the ruling saying, "Your honor, How can you possibly dismiss this case? The Christians have Christmas, Easter and others. The Jews have Passover, Yom Kippur and Hanukkah, yet my client and all other atheists have no such holidays..."

The judge leaned forward in his chair saying, "But you do. Your client, counsel, is woefully ignorant."

The lawyer said, "Your Honor, we are unaware of any special observance or holiday for atheists."

The judge said, "The calendar says April 1st is April Fools Day. Psalm 14:1 states, 'The fool says in his heart, there is no God.' Thus, it is the opinion of this court, that, if your client says there is no God, then he is a fool. Therefore, April 1st is his day. Court is adjourned."

You gotta love a Judge that knows his scripture!
